## Playaway... audiobooks to take away!

The first all-in-one audiobook is now available from AudioGO. Each Playaway comes ready-loaded with an excellent quality recording of your chosen audiobook. And because it's ready-loaded, it doesn't require a separate player – so there's no need for CDs, cassettes or downloads.

Playaways are smaller than a pack of cards – they're so light and compact, you can fit a whole book in your pocket! Technical knowledge isn't needed – just plug in the earphones, press 'play' and listen straight away.

The user-friendly features allow you to bookmark your favourite parts, skip forward and back chapters and control the speed of the narrator's voice, all at the touch of a button. And with 15 new adult titles and 8 new children's titles released every month, you'll be spoilt for choice.

Playaways now come in a new and improved box design. However, if your units are boxed in the original design we can supply you with brand new packaging for each, free of charge.

Please contact our Library Sales Office on 01225 878000 for details of all these offers and to order your Playaway collection.
